

Dear Residents,

As we continue to modernize Boulevard Houses we will begin the elevator modernization project. All elevators in the high-rise and low-rise buildings will be modernized with new cabs and finishes. Please see the below schedule as to the expected start and completion dates. Please note that during this time the elevators will be unavailable for use until the expected on-line date. As always if you have any questions or concerns please contact the site office at info@boulevardtogether.com or by phone at 646-276-2196.

Phase	Address	Elevator Modification Date	Expected Online Date
LR-4	845 SCHENCK AVENUE	1/1/23	3/26/23
